

ICTechEd 2026 – Session Schedule 28 May 2026 (13:00 - 16:00 UTC+7) Session Chair : Dr. Siriluk Phuengrod

Room	Time	Paper ID	Track	Paper title
Room : 314 A Building : 52, Faculty of Technical Education, KMUTNB	13:00–14:30	IC13-01	Education	Development of a Teaching Plan Verification System Using Artificial Intelligence Technique
		IC13-03	Engineering	Optimization of resistance spot welding parameters for high-strength steel SPFH590 grade using response surface methodology
		IC13-04	Engineering	Haze Optimization–Driven Transformer–CNN Framework for Automated Liver Tumor Nuclei Segmentation and Classification
		IC13-06	Engineering	Electric Vehicle as a Solution for Sustainable Mobility: A Review
